

# Are you living with a physical disability?

# Would you be interested in speaking to us about your experiences during COVID-19?

We would like to understand your experiences of the pandemic, social distancing and social isolation, including any impacts on mental health, well-being, daily life and the support you have received.

## We would like to speak with you if you:

- » are aged 18 or over; and
- » have a physical disability that impacts your mobility or motor skills; or
- » have a sensory impairment

## What will happen if I take part?

- » You will have the opportunity to discuss the study with a trained researcher and ask questions.
- » You will be asked to take part in an interview with a researcher over the telephone, or via a video call depending on your preferences. The interview should last around 45 minutes.
- » The information you give us will be anonymised and kept confidential.
- » We will offer you a £10 gift voucher to thank you for taking part.
